VC takes shelter in town

BAU Proctor, 4 provosts, Student Advisor resign

MYMENSINGH, Oct 3:—Student advisor, proctor and four provosts of Bangladesh Agriculture University submitted their resignation today (Wednesday), reports UNB.

Besides, Vice Chancellor Dr Anwarul Islam left the campus along with his family members Tuesday night and took shelter in the town amidst JCD's agitation for his resignation.

As soon as the results of BNP's victory in the national election was announced, JCD workers captured all 10 student dormitories of the university without any violence.

Advisor of Student Affairs Prof Ahmedullah Sarkar, Proctor Prof

Mustafizur Rahman and Provosts of Sheikh Fazilatunnisa Mujib, Sultana Razia, Shahjalal and Suhrawardi Hall submitted their

resignation letters to the Registrar's office.

However, the BAU Registrar, when contacted, said he has not yet received any resignation letter.

The VC left the campus fearing a possible attack on his residence as pro-BNP Jatiyatabadi Chhatra Dal activists brought out a victory procession on the campus demanding his resignation Tuesday evening.
