THE DAILY BANGLADESHI

Science week begins at Sherpur

Our Correspondent

SHERPUR, Jan 31:—A three-day long national science and technology week began at Model Girls Institute here on Tuesday.

It was formally inaugurated by local MP Atiur Rahman Atique as chief guest. Presided over by Deputy Commissioner of Sherpur Sheikh Abul Kalam it was also addressed by Pro-Vice Chancellor of Dhaka University Md. Shahadat Ali, acting chairman of local Municipality and leaders of different organisations.

A large number of science clubs of different schools and colleges of the district are displaying over 70 scientific projects at the fair highlighting the importance of science and technology.
