Non-govt teachers draw action programme

Bangladesh Non-government Primary Teachers Association at a meeting announced their next course of countrywide action programmes to release their various demands, reports UNB.

As part of the programmes, the teachers will submit memorandum to Upazila Nirbahi Officers (UNOs) in processions demanding nationalisation of their services and payment of their salaries for January and February before Eid-ul-Azha.

The teachers threatened to launch a tougher action programme after February 10 if their demands were not met, according to a Press release.
