UGC chairman urges teachers to devote research activities

Professor Dr. M. Asaduzzaman, chairman of University Grant Commission (UGC) of Bangladesh, as said, the government allocates almost all the funds for the country's public universities and this policy comes from the all section of people, says a Press release.

UGC Chairman observed this while speaking at a freshers' reception ceremony (the admitted students for academic year 2005-6) of Maulana Bhashani University of Science and Technology held at its own campus premise recently as the chief guest.

He lamented that a huge amount of money of public universities is not properly utilised due to mismanagement and lack of transparency and accountability. He urged the authorities of public universities to strictly fol-
