Commercial institutions at Degree level soon

Education Minister Barrister Jamiruddin Sircar said in Dhaka on Sunday that the commercial institutions in the country would be upgraded into degree level, reports BSS.

"The upgradation would help promote the standard of commercial education and the learners would emerge more self-confident in their future plans of services," he said this while speaking as chief guest at a prize distribution ceremony held at the Dhaka Commercial Institution, in Dhaka.

The Minister said, proper use of science and technology was the basis for the development of any country. He advised the student to receive proper education and to apply it as practical situation claims.

Director-General of Secondary and Higher Education Department Professor Mohammad Yunus Mia, acting Principal of the institution ASM Morsaalin were, among others, spoke.
