Science Varsity PM to lay foundation stone today

Our Correspondent

RANGPUR, July 22:—Prime Minister Sheikh Hasina will arrive here tomorrow (Friday) to lay the foundation stone of Science and Technology University. She will also address a public meeting at the Carmichael Collegiate School ground, near the site of the university.

Prime Minister Sheikh Hasina after coming to power announced at a public meeting at the Rangpur Zila School ground that the government would establish a Science and Technology University in Rangpur. With the laying of foundation stone of the university, she will fulfil her commitment to the people of Rangpur.

Meanwhile, the authorities of Carmichael University College handed over 75 acres of land to the Education Ministry. The Education Ministry handed over the land to the Project Director of the Science and Technology University.
