## Students urged to help build educated nation

Post Telecommunications, Housing and Public Works Minister Mohammad Nasim on Saturday called upon the student community to work for building an educated and prosperous modern nation, reports APB.

Students had played a pivotal role in all turning points of history, he said adding that in the same vein they would steer the nation from future pitfalls.

The Minister was addressing a discussion on the "role of students in building a modern Bangladesh" at TSC on Dhaka University campus.

Ruling party's student wing Bangladesh Chhatra League organised the discussion meeting on the concluding day of its five-day programme marking the Victory Day.

State Minister for Youth, Sports and Cultural Affairs Obaidul Kader, noted Asaduzzaman Noor BCL president Bahadur Bepari and general secretary Ajay Kar Khakon also took part.

The programmes were rounded off with a cultural function where eminent artistes rendered songs and poets recited poems based on the War of Independence.
