Results of 3524 SSC examinees withheld

Our Correspondent

The results of 3524 S.S.C examinees under Jessore Education Board were withheld this year by the Board Authority. Gross discrepancies including false registration number, lack of registration number and non-completion of examination forms, were the main causes.

When contacted one of the high officials of the Board told this correspondent that the results of this examinees were withheld due to gross negligence of the teachers of the respective institutions. He also told me that results of some examinees will be published shortly after proper rectification of the anomalies by the institutions concerned.

Skins may be damaged

A total of 400 pieces of skins of Royal Bengal Tigers and deer of Sundarbans worth lakhs of Taka has been lying uncared for in the Forest godown since long.

According to forest source this skins were collected from the Sundarbans from time to time and kept them in the godown. The skins are of Royal Bengal Tigers, deer, monkeys, various types of snakes and crocodiles.

It is further learnt that the skins may be damaged if they are not disposed of immediately.

Seminar on F.P. held

TANGAIL:-A day-long seminar of local leaders was held recently at Deojan Samaj Kalyan Centre auditorium under Pathrail Union of Deladwar upazila under the auspices of the Family Planning Association of Bangladesh. Tangail branch. A total number of 100 local leaders including Union Parishad members, school teachers, village doctors and Imams participated in the seminar. The object of the seminar was to utilize the services of the local leaders in motivating the village people to adopt the ideas of small family.
