

Lowest ever in Bangladesh

31.73 pc pass SSC exams

By A Staff Reporter

The results of the Secondary School Certificate (SSC) examinations this year which were announced on Thursday show the rate of success at 31.73 per cent, the lowest ever in Bangladesh.

The rate of success this year recorded a sharp fall by 10.56 per cent, from last year's percentage at 42.29.

Announcing the results at a news conference at Shikha Bha-

ban, Alhaj Mansur Ali Sarker, Adviser to the President, said that the low rate of success was due to adoption of strict measures against unfair means in the examinations.

He also mentioned that the students, teachers, guardians and the prevailing social environment were responsible for high rate of failure in the examination.

Education Secretary Mr ANM Yusuf, Director General of the Secondary and Higher Secondary

Education Mr Abdur Rashid Chowdhury and the Chairmen and Controllers of four education boards were present at the news conference.

See pages 3,7,9,10,11 & 12.

Alhaj Mansur Ali Sarker said that authorities of all the four education boards took additional measures to combat unfair means in the examinations this year. Vigilance teams were formed and the local administration was involved to ensure fair examinations in each centres.

The number of examination centres outside the upazila headquarters was reduced to 30 this year.

The number of expelled students this year increased to 21,676. It was 14,411 last year.
