Call to stop unfair means in HSC exams

The Bangladesh Federation of Teacher's Associations (BFTA) Tuesday called upon all concerned including the government and private college teachers responsible for conducting the Higher Secondary Certificate examinations under four Education Boards beginning from July 12 to take all-out preparations for controlling unfair means, reports BSS.

In a statement, the Secretary General of BFTA and President of Bangladesh College Teachers Association, Principal A.K.M. Shahidullah pleaded for waging strong resistance against unfair means and corruption in the examinations in the greater interest of the nation.

He urged the people from all walks of life particularly the teachers, students and guardians to create a popular opinion against adopting unfair means in the examinations.
