## Workshop on distant edn over radio opens

Information Secretary Mr. Khorshed Alam inaugurated a three-week workshop on 'Planning and design of supplementary material for distant education programme over radio' at the National Broadcasting Academy on Monday reports BSS

The workshop has been jointly organised by the Bangladesh National Broadcasting Academy and the AIBD, Kuala Lumpur with a view to designing low-cost material suitable for educational programme and national development. Twenty participants from different organisations like radio television, agricultural, Information Service and Education Extension Programme have joined the workshop.

The course is being conducted by Mr. Peter King who is assisted by Mr. John Higgs, Chief Instructor of NBA. Mr. M. Mohaddes is in charge of the course coordination.

Speaking on the occasion Mr. Khorshed Alam said the workshop a timely and appropriate
