Science week at dist, national level this year

The Science and Technology Week, 1993 will be observed at district and national levels this year, reports BSS.

The district level competition will be held from October 2 to 21 next at 64 districts.

A decision to this effect was taken at a meeting of the preparatory committee of 17th National Science and Technology Week with Education Minister Barrister Jamiruddin Sircar in the chair.

State Minister for Education Principal Md. Eunus Khan and Secretary of the Science and Technology Division Mr. Abdullah Haroon Pasha and other members of the committee attended the meeting.

The meeting decided that the national level competition will be held in Dhaka at a convenient time from January 24 to 27, 1994. The main theme of the week will be innovation and progress.

The meeting also formed different committees and sub-committees for successful holding of the competition. It has also approved a budget of Taka thirty lakh for holding it at all levels.
