Varsity Correspondent

Officers of the country's seven universities will observe a 3-day strike beginning from September 4 in support of realisation of their two-point demand.

The action programme was taken in a meeting of the Bangladesh Inter-University Officers' Federation (IUOF) held on August 13 with its President Alhaj Md. Ziaul Islam in the chair.

The two-point demand of IUOF is modification of present down-grade pay scales for officers of universities and representation of officers in various statutory committees including Senate and Syndicate.

Representatives from Officers' Associations of seven universities which include Dhaka University, BUET, Jahangirnagar University, Rajshahi University, Chittagong University, Islamic University and Bangladesh Agriculture University were present at the meeting.

The Federation will announce its next course of action programme through a Press conference to be held on September 6, says a Press release.
