Qudrat-e-Khuda's anniversary of death today

The 22nd death anniversary of eminent scientist and educationist of the subcontinent Dr Muhammad Qudrat-e-Khuda will be observed today (Wednesday), says a Press release.

The founder Director of the BCSIR Laboratories, Dhaka and Prem Chand Roy Chand Scholar Dr Qudrat-e-Khuda earned good reputation not only in his student life but also created glorious example as a brilliant researcher, educationist, and efficient administrator in his practical life.

In observance of the day, Bangladesh Council of Scientific and Industrial Research (BCSIR) has arranged a discussion meeting on the life and works of Dr Qudrat-e-Khuda to be held in the auditorium of the Council today at 12 p.m.

A special prayer will also be offered for the salvation of the departed soul.
