Hasina declared Banga Bhasha Kanya

Amid prolonged cheers and standing ovation of thousands of people from all walks of life, Prime Minister Sheikh Hasina was on Tuesday declared 'Banga-Bhasha Kanya' (daughter of Bengali Language) for her laudable role in the process of transforming 'Ekushey' into a global event, reports BSS.

"Apart from different popular names like Ganotantarer Manoshkanya and Bangabandhu Kanya, Prime Minister Sheikh Hasina should also be called Bnaga Bhasha Kanya for the historic role she played in making the UNESCO appreciate the glorious struggle of the Bangladeshis for Bangla in February 1952," eminent poet Syed Shamsul Hoque proposed at a mammoth public rally organized by Bangladesh Awami League at Paltan Maidan.
