SSMCH Correspondent

Sir Salimullah Medical College has been closed sine die on Tuesday following clashes between two rival groups on Monday.

The College authorities asked the male students to vacate the hostel by 7 p.m. Tuesday and female students 10 a.m. Wednesday.

But male students did not carry out the order and remained in their respective rooms.

It may be mentioned here that clashes took place between Jatiyatabadi Chhatra Dal and Bangladesh Chhatra League on Monday in which eight students were seriously injured.
