16 student bodies express concern

Sixteen students organisations including the DUCSU in a joint statement on Monday night expressed their concern and resentment at the efforts to disturb communal harmony in the country by a vested interest group following demolition of the historic Babri Mosque in India, says BSS.

The signatories to the statement strongly condemned the demolition of the 16th century mosque by the Hindu fundamentalists saying that the incident had shattered the secular policy of India as its government miserably failed to protect the Babri Mosque.

They said the Babri Mosque incident served a blow to the regional cooperation spirit of south Asian nations and was a part of international conspiracy to create communal frenzy in the area.

They also expressed concern and resentment at the attack on the houses, shops, religious institutions of the minority community and incidents of arson on offices of the political parties. They also called upon the students community to form "students brigades" in each area of the country to face the conspiracy to create communal unrest and urged all to face the situation unitedly.

The signatories are Khairul Kabir Khokon of DUCSU, Nasiuddouza of Chhatra Union, Belal Chowdhury of Samajtantrik Chhatra Front, Ruhul Kuddus Babu of Bangladesh Chhatra League, Matimud Hasan Bulu of Bangladesh Chhitra Moitree, Ahad Ahmed of Bangladesh Chhatra Federation, Abu Aslam Mintu of Bangladesh Chhatra Samity, Ishaque Ali Khan Panna of Bangladesh Chhatra League (M-E), Suranjan Ghose of Jatiya Chhatra League, Mizanur Rahman Mizan of Ganotantrik Chhatra League, Abul Kalam Azad Babul of Bangladesh Chhatra League (B-S), Enamul Huq Mollah of Bangladesh Chhatra Oikya, Mosreka Mishu of Chhatra Oikya Forum, Sagar Ahmed of Jatiya Chhatra Dal, Sarwar Zahan Kiron of Biplobi Chhatra Sangsgha and S.M.
