The invigilators were identified as Raihana Binte Hossain of Borobari College and Amjad Hossain of Lalmonirhat College.

Later, the attackers stormed into the residence of the Principal Anwarul Islam and badly ransacked the house, witnesses said.

The principal alleged that the Magistrate on duty left the scene as the trouble erupted in the centre. A large number of answer-scripts were also missing, he added.

Meanwhile, Academic Council of the college called an emergency meeting in the evening to discuss the situation.
