Fate of 12,000 HSC examinees under Jessore Board uncertain

Our Correspondent

NOAPARA, May 3:—Due to different irregularities in necessary papers and documents the fate of 12,000 Higher Secondary Certificate (HSC) examinees of Jessore Education Board for the ensuing HSC (1995) examination have become uncertain.

According to a Board source after

cancellation of fake registration of 15,000 SSC examinees in 1995, the board started detecting irregularities of HSC examinees. So after proper examination of necessary documents, the authority has detected registration irregularity of 12,000 out of 99,000 HSC examinees under the board. So it seems that those (12,000) examinees would not be able to appear at the ensuing examination.
