Errors in SSC admit card

BAGERHAT, Mar 12:—Sixteen SSC examinees of Chitalmari centre could not sit for today's Home Economics examination due to errors in the admit card, reports UNB.

The invigilators got the 16 students out of the examination hall as the column of fourth subject was blank in their admit card.

They were the students of Chitalmari Hasina Begum Girls' High School, Boalia High School and GG High School.

Headmistress of Hasina Begum Girls' High School Salma Begum accused the Board for not filling up the column saying it showed how irresponsible are the officials entrusted with the job.
