5,298 applications for BUET admission

BUET Correspondent

July 6 was the deadline for submission of admission forms by the students seeking admission into various faculties of Bangladesh University of Engineering and Technology (BUET) for the session 1991-92.

According to a final day count at the Admissions office, a total of 3990 forms were submitted under the Faculties of Engineering while a total of 1308 were submitted under the Faculty of Architecture and Planning. The number will slightly increase when the forms, sent by post, will reach the Admission Office.

The Engineering Faculties, comprising seven departments have a total of 510 seats including 3 seats reserved for the tribal students and the Faculty of Architecture and Planning has 50 seats including one seat for tribal students.
