### Admission to DU first year class relaxed

Varsity Correspondent

The Dhaka University authorities have relaxed the condition for applying for admission to first year degree classes and B.Sc (pass) in Industrial Arts for the session 1993-94.

The circulated requirement for the applicants in "Ka", "Kha" and "Ga" units to have 40 per cent marks in English and Bengali (without grace marks) at HSC or equivalent level has been withdrawn, says a DU Press release.

The other terms for application and admission for these three units will remain unchanged.

The conditions for "Gha" Unit, announced earlier by the authorities, will also remain unchanged, the Press release added.
