

## Meghna River erosion continuing in Chandpur

# Newly-constructed primary school building devoured

From Our Correspondent

CHANDPUR, Sept. 1.—The river Meghna devoured the buildings of West Zafraabab Govt. Primary School of Ibrahimpur Union under Chandpur thana recently. The thana parishad constructed the school buildings only a few months ago at a cost of Taka 4 lakh.

Meanwhile, erosion is going on unabated and the river is devouring lands and properties everyday in Chandpur, Haimchar and Matlab thanas.

The centuryold Akhand Hat is threatened causing panic among 300 shopkeepers of the bazar. There are also 25 big fish shops in the bazar. The bazar feared to be eroded any day.

### Launch tragedy of '94

In remembrance of the victims of Dinar-2 launch disaster of 1994, a meeting was held recently at Puranbazar under the auspices of Puranbazar Jubo Merchants Association. Mr. Faiz Ahmed Mantoo presided over the meeting. In Gouranga Saha, Subhas Saha, Gobinda Mondal, Jayanto Nandi and Amit Acharjee spoke in the meeting.

The speakers remembered the tra-

gic accident and prayed for the salvation of departed souls.

It may be mentioned here that on August 20, 1994, the launch Dinar-2 sank in the afternoon in presence of hundreds of witnesses at the confluence of the rivers Meghna and Dakatia near Chandpur terminal. There were about 200 passengers, of whom only 60 have been rescued by the river police and the local people. The fate of the rest passengers is still unknown.

About 60 bodies were recovered from the river. A joint search operation by BIWTA, Bangladesh Navy, Fire Service and the local administration failed to trace out the sunken vessel. The search operation has been abandoned after one month futile efforts.
