DMC students meet President

A group of students of Dhaka Medical College (DMC) comprising office-bearers of the Students Union and Sandhani, a voluntary organisation of the DMC students, met President Hussain Muhammad Ershad at the President's Secretariat on Thursday morning, reports BSS.

Principal of Dhaka Medical College Prof. Kabiruddin Ahmed and former Principal Prof. Waliullah were present.

The DMC students expressed their gratitude and thanked the President for the financial help given by him for the treatment of fourth year medical student Bappi who was grievously injured in a road accident.

Bappi, who was returned from abroad after treatment, was also present.

The office-bearers of the union informed the President of the various problems faced by the students of the Dhaka Medical College including the lack of academic facilities, accommodation and other problems in the hostels, and the transportation problem.

President Ershad said he would donate a bus for the use of the students. He assured them that steps would also be taken for solving the problems of the Dhaka Medical College, the oldest medical institution of the country.

The President also discussed with the office-bearers of the Sandhani about their programmes and assured them of his cooperation and help.
