Plea for second Islamic Varsity at Shantidanga

Mr. A.K. Fazul Huq, a former BNP Minister on Monday proposed the setting up of a second Islamic University at Santidanga retaining the existing one at Gazipur. The decision of shifting the Gazipur Islamic University has given an opportunity to some political leaders to fish in troubled water, he added.

The nation can afford to have two Islamic universities in view of the growing demand for access to higher education, Mr. Huq said. He appealed to the President to make an announcement to help end the controversy.
