Reopening of DU Acting VC to call meeting of Syndicate

Dhaka University Acting Vice Chancellor Professor AFM Yusuf Haider on Monday said he would call a meeting of the syndicate this week after Wednesday's discussion with faculty deans, departmental Chairman and Directors of various institutes for taking decision on reopening of the university halls and classes, reports UNB.

Addressing a meeting of Paribesh Parishad of DU at administrative building here, the VC thanked the student leaders for their constructive discussion aimed at restoring congenial academic atmosphere on the campus.

Deploring the July 23 incident at Shamsunnahar Hall, the VC assured the student leaders of taking steps against those, who would be found guilty in the judicial inquiry commission and university probe committee.

The student leaders assured the VC of extending their all out co-operation for maintaining congenial academic atmosphere on the campus.

The student leaders demanded early reopening of the varsity, ensuring coexistence of all, withdrawal of cases filed against students and publication of judicial commission report.
