Directives to educational institutions

Mr. Mahbubur Rahman, the Education Minister on Saturday directed all authorities and managements of all government and non-governmental educational institutions of the country in the flood affected areas for making the premises of their respective institutions available at the disposal of concerned district and upazila authorities for providing shelter to the flood affected people and for opening relief camps wherever needed, reports BSS.

This arrangement shall continue till the flood situation improved and the affected people returned home. During this

period the institutions shall remain closed.

The Minister further directed the officials of these educational institutions in the flood affected areas to assess the damage caused to educational institutions by flood after the situation is improved, and inform the ministry for taking possible necessary action to repair the damage.
