### 3 varsity teachers get UGC Award

Three university teachers have been awarded with the University Grants Commission Award for their contributions in basic research works, according to a UGC Press release on Sunday, reports BSS.

Prof. Mohammad Salim Ullah and Prof. Mohammad Maniruzzaman of Physics Department of Jahangirnagar University have been awarded for their research in the fields of science and agricultural science for the year 1988 and 1989 respectively while, Prof. Mohor Ali of Metallics Department of BUET received the award for his contribution in the field of engineering and technology for 1989.

The decision for the awards were taken at the 75th meeting of the commission recently.

Bangladesh University Grants Commission introduced the award in 1980 to encourage the university teachers to conduct basic research in their respective fields. Since then, a total of 19 teachers from different universities got the award.

The three teachers will be given the award in a ceremony in near future.
