58 architects slate new BUET admission rule

Varsity Correspondent

58 architects of the country supported the present movement of the students of the Department of Architecture of BUET against the newly introduced admission system for the department by the university authorities.

According to a press release issued by the students of the department on Thursday, the architects opined that the inception of new admission system was a conspiracy to destroy the department. The architects stated this at a meeting with the students of the department held on Thursday.

Eminent architects Mazharul Islam, Rabiul Hussain, Mir Mobasher Ali, Mobesher Hossain, Md Abdur Rashid and Abdul Matin Chowdhury, among others, were present at the meeting.

Meanwhile, the Vice-Chancellor of the University of Engineering and Technology (BUET) exchanged views with the students of the department over the present stalemate that arose due to the introduction of new admission system in the Department of Architecture, the Press release.
