

## SM Hall Old Students Assoc chalks out programme

The S.M. Hall Old Students Association has chalked out different programmes in nostalgic remembrance of its member's good old days that will bring the association closer to present day students of the famous dormitory of the Dhaka University as well as rendering some welfare job to the hall, reports BSS.

The programmes include the visit by the association office bearers to the hall on May 24 when some scholarships to the students would be handed over along with books and computers that will help the students.

A grand gathering of the old students on December 27 at the hall premises will bring together elderly members of the association who lived in the hall as early as even more than five or six decades ago and those not too long ago.

A joint meeting of the executive committee and advisory council of the association decided the programmes while agreeing to increase the activities of the association, whose president Dr. M.R. Shelley chaired and general secretary Zakir Ahmed Khan presented the report.
