All educational institutions to remain closed up to Sept 16

Classes in educational institutions of all categories in the Dhaka metropolitan city will remain suspended up to September 16, an official announcement said on Thursday, reports BSS.

This decision was taken in view of the fact that it would take some more time to restore normal working conditions in the educational institutions.

The announcement said all institutions in the city will resume their normal functioning on September 17. Educational institutions outside Dhaka city will be reopened on dates to be decided by the concerned district administrations.
