

## BCL holds rally against hartal at DU

Varsity Correspondent

Pro-Awami League student organisation, Bangladesh Chhatra League (BCL), leaders on Saturday said, the hartal called by the opposition just a day before the meeting with donor countries is a conspiracy against the country's economic development.

They called upon the countrymen to build strong resistance against today's hartal.

The BCL leaders were speaking at a rally held in Dhaka University to observe the historic 'Mujibnagar Day' on Saturday.

They announced that the BCL activists would take to the street to stand against the hartal.

Speakers at the rally urged the student community to resist the vested quarters who were trying to create unrest throughout the country as well as on the university campuses using terrorists and outsiders.

The rally, held at the main gate of the Arts Building was addressed by BCL President Bahadur Bepary and General Secretary Ajay Kar Khokon.
