Dispute over cultural programme: 2 DU students hurt

Varsity Correspondent

Two female students of Dhaka University received minor injuries when some one hundred students hassled to enter the Teachers Students Center (TSC) where a cultural programme of the Department of Finance and Banking was going on.

Both the two students were from the Arts Faculty.

Entrance was prohibited for the students of other departments.

The Finance and Banking Department celebrated their silver jubilee on Saturday.

Some of the alumni from Rajshahi complained that they were denied entrance into the TSC even after showing their invitation cards. "It is not the programme that we have come to watch, we have come to meet the old friends", one of them said.

Some journalists of a number of dailies were also rejected entry by some teachers. Besides, they misbehaved with the pressmen.
