## DU Course System Exams rescheduled

Varsity Correspondent

Dhaka University M.S.C. last part examinations of 1997 under yearly Course System scheduled to be held on July 25 have been rescheduled as the authorities have announced holiday on the day.

As per the changed schedule the examination of Course No 411 of the Physics Department will be held on August 21, Course No 401 of Applied Physics on September 4, Course No 401 of Applied Chemistry on August 29, Course No 101 of Applied Mathematics on October 3, Course No 101 of Mathematics on October 3, Course No 101 of Statistics on August 26, Course No 401 of Geology on September 4, Course No 3002/3003 of Geography on September 9 and Course No 501 of Chemistry on September 15.

The examination of Course No 501 of the Chemistry Department, scheduled to held on August 30, has also been rescheduled on September 21 while the examination of Course No 405 of Biological Sciences has been rescheduled on September 8.

Other parts of the schedule will remain unchanged, says a press release of the university.
