## DU hall raided by police

Police raided Haji Mohammad Mohsin Hall of Dhaka University on Sunday afternoon but failed to hook onto the net anything or anybody in the sudden swoop, reports UNB.

Police sources said a contingent of Detective Branch of police and Ramna thana police jointly stormed the dorms at about 4:30 p.m. and searched student rooms for more than half an hour. Police, however, could not give reasons for the raids.

A source said the forays might have connection with "terrorists" from different city areas, including Lalbagh, taking shelter in Mohsin Hall.

Earlier on March 15, the metropolitan police arrested one of the trespassers, Jahangir, from a room of the dormitory.
