### DU Senate Members congratulated

Projanma-71, an organisation of the children of the martyrs of the Liberation War, on Sunday congratulated the newly-elected Senate Members of the Dhaka University, says BSS.

In a statement, the President and the General Secretary of the organisation congratulated the 'Ganotantrik Oikya Parishad' nominated candidates who bagged all the 25 graduate representative seats in the recent Senate elections.

They said the absolute victory of the panel is the victory of the united pro-liberation forces and of those who uphold the Bangalee Nationalism.

They expressed their Joy in defeating the anti-liberation Pro-Jamaat and BNP-backed panel and congratulated the voters who voted for the Ganotantrik Oikya Parishad.

They expressed the hope that the Dhaka University would be able to regain its lost glory with the utmost and sincere efforts of the newly-elected Senate Members.
