DU admission

**List of students
want to change
subjects published**

A list of the Dhaka University students (1998-99 session) who took admission under 'Ka' unit and now want to change their subjects has been published, reports UNB.

Another list of some 2648 students selected from waiting list for admission to the Dhaka University has also been published.

The concerned students have been asked to contact the Dean office of Science Faculty and finalise the process of admission and subject adjustment by August 3, said a DU Press release on Wednesday.
