DMCH Correspondent

The internal conflict between the two rival groups inside BNP student front Jatiyatabadi Chhatra Dal (JCD) again flared up on Friday on the Dhaka University campus inflicting bullet injury to a leading JCD leader.

Zakir Hossain, 22, Joint Convenor of the Dhaka University unit of JCD, was admitted to Dhaka Medical College Hospital on Friday afternoon with bullet injury. A group of armed students chased Zakir Hossain from Dhaka University Teachers Student Centre up to the road crossing near Engineering University play ground. They beat him mercilessly and shot a bullet on his thigh.

The incident led to fresh tension on the campus as both the rival groups of JCD were trying to show their muscle on the opening day of the University today (Saturday) after a nine-day vacation.
