## Impartial role of IU authorities demanded

ISLAMIC UNIVERSITY (Kush-  
tia), Nov 5.—Zia Parishad and  
Green Forum, two separate teachers  
organisations of the Islamic Universi-  
ty, on Wednesday submitted a  
memorandum to the Vice-  
Chancellor demanding impartial role  
of the authorities, reports UNB.

The teachers' action came in the  
wake of BCL-Shibir gun fight in the  
campus, on Saturday in which 50  
students including 11 policemen were  
injured. Two of the injured Shibir  
Activists later died in the hospital.

The teachers alleged that the au-  
thorities failed to maintain peace in  
the campus and its partisan role in  
handling the campus situation.

Sources close to the VC's office  
said there had been exchange of hot  
words when the teachers accused the  
Vice-Chancellor of playing a partisan  
role.

Meanwhile, a group of Shibir  
activists brought out a procession in  
Jhenidah town to mourn the death of  
two Shibir activists—Mohsin Kabir  
and Al Mamun—who were injured  
in Saturday's clash.

They accused BCL for the killing  
and demanded punishment to the  
killers.
