## BAU V-C resigns

Staff Correspondent

Vice Chancellor of Bangladesh Agriculture University Dr Shah Mohammed Faruk submitted his resignation to the Education Minister on Sunday expressing his inability to perform the responsibility under the prevailing circumstances.

A Press release of Bangladesh Agriculture University issued on Monday said that the Education Minister had requested the Vice Chancellor to continue in the office till a new Vice Chancellor is appointed.

The Press release said that misleading news were published in some dailies regarding the administrative functions and the Vice Chancellor. Clarifying the position, the Press release said that following an urgent instruction of the Education Minister, the Vice Chancellor left the University for Dhaka on Sunday to discuss the situation that had been prevailing on the campus since November 2.
