Student leader arrested

Police Tuesday arrested a student leader wanted in many criminal cases, reports UNB.

Tofael Hossain Josef, Vice-President of pro-Awami League Chhatra League (A-A), Mohammadpur Thana Unit, was caught by a group of youths near the Central Jail and handed over to Lalbagh police.

Later he was transferred to Mohammadpur police. Police said Josef was arrested in connection with several cases including murder.

Protesting the arrest of Josef, Chhatra League brought out a procession and staged demonstration in front of the Mohammadpur thana and demanded his immediate release.

Chhatra League leaders addressing the demonstration said that a group of Jatiyatabadi Chhatra Dal (JCD) and Freedom Party activists caught and beat him up seriously while he was returning from jail after visiting a relative.

They alleged that the group also tried to kidnap Josef aiming to kill him but local people foiled their intention.
