Call to resist Shibir activities on DU campus

Varsity Correspondent

Opposition Awami League's student front Bangladesh Chhatra League (BCL) expressed its concern at the attempts by Jamaat-backed Islami Chhajra Shibir to carry out open activities on the Dhaka University campus.

BCL President Liakat Sikder and General Secretary Nazrul Islam Babu in a statement on Wednesday vented their resentment over the recent meeting of Shibir leaders with the Dhaka University Vice Chancellor.

The meeting provided an opportunity to the anti-liberation elements to implement its design and urged all the pro-liberation and progressive forces to resist activities of Shibir on the Dhaka University campus.
