## JCD rally protests Newton's killing

Varsity Correspondent

Leaders and workers of Jatiyatabadi Chhatra Dal (JCD) brought out a silent procession in the city on Sunday protesting the killing of its leader Saidur Rahman Newton.

Prior to the procession the JCD men held a rally at Dhaka University Battala.

The leaders at the rally blamed opposition Awami League for unleashing terrorism across the country. The killing of the Newton was pre-planned and a part of AL's deep-rooted conspiracy that was designed to destabilise the government, they said.

JCD's DU unit president Monir Hossain, General Secretary Mustafizul Islam Mamun, Haider Ali Lenin, Asaduzaman Asad and Nurul Islam Nayan addressed the rally.

Later, the JCD supporters brought out a mourning procession in the city wearing black.
