New BAU VC appointed

Dr Mohammad Hossain, Professor of the Department of Bio-Chemistry, has been appointed Vice-Chancellor of the Bangladesh Agricultural University for a four-year term with immediate effect, a Press release of the Ministry of Education said in Dhaka on Tuesday, reports BSS.

Prof Hossain succeeded Prof Dr. Shah Mohammad Farouk, who resigned from the post of Vice-Chancellor on November 10.

Prof Farouk will now return to the Department of Farm, Power and Machinery, the Press release added.
