

Teachers urged to spread light of education

President Abdur Rahman Biswas was on Saturday called upon the teachers to spread the light of education to all through discharging their services with dedication, reports BSS.

He said education to all is a must for attaining the nation's socio-economic progress.

The President was addressing the members of a delegation of the National Federation of Teachers Association who called on him at his residence to felicitate him on his assumption of the office of President of the country.

Mr. Biswas underscored the need for resolving the accumulated problems in different sectors of the country with united efforts and thereby improve the condition of the toiling masses.

The President said the development efforts undertaken by the present democratic government should be successfully implemented for the improvement of the lot of the people.

He said people from all walks of life, irrespective of party affiliation and opinion should extend cooperation to the government in its efforts for attaining the desired development goals.

The President stressed on promoting creative activities in the society for flourishing of our national entity. We should show respect to the scho-

larly people, he said.

He also called upon the teachers to extend their whole hearted cooperation to ensure peaceful atmosphere on the campus.

The representatives of the federation discussed various problems faced by the teachers with the President who gave them a patient hearing.

The members of the delegation included Chairman of PSC Prof Eajuddin Ahmed, Federation President Dr. Enamul Huq Khan and Secretary General M Shariful Islam.
