Sherpur College closed

SHERPUR, Nov. 13.—The Sherpur Government College was declared closed today (Thursday) for an indefinite period following a violent incident on the campus, says APB.

The decision was taken after a student brandishing a revolver threatened a teacher on Wednesday.

In an impromptu meeting, teachers of the college protested the incident and demanded exemplary punishment of the student.

A case was filed with sadar police. None, however, was arrested in this connection.
