Mass edn thru' scholarship

Development Association for Youth has decided to start a massive programme to eradicate illiteracy from the country through mass education by the poor and meritorious youth students of colleges and universities all over Bangladesh on awarding monthly scholarships to them, says a Press release.

Scholarships will be awarded to those poor meritorious students who have brilliant results in the past examinations and who will be able to run a mini mass education centre at his/her home/locality or any where adjacent to his/her educational institution. They will have to literate at least 25 illiterates in each batch within a three months/ a fixed time.

Interested students are requested to communicate following address with a self-addressed envelope for detail information:
