CHITTAGONG, Oct 16.—The academic activities in the Medical Faculty of University of Science and Technology, Chittagong (USTC) have been totally disrupted from Wednesday last due to the resignation of 70 teachers out of 77.

The teachers of the Medical Faculty of USTC resigned from their posts in protest against the illegal sacking of Dr. Imam Uddin, Associate Professor of the Orthopaedic Department and President of USTC Teachers Association by President of USTC and National Professor Dr. Nurul Islam on September 21 without any notice.
