Fake registration

School teacher held at Jhenidah

JHENIDAH, Apr. 18:—A school teacher was arrested today for his alleged involvement in fake registration of some SSC candidates, reports UNB.

He was identified as Sabed Ali, assistant teacher of Madhupur High School. Headmaster of the school Shahab Uddin went into hiding following a warrant of arrest in connection with the fraud.

Guardians of two SSC candidates, who got enlisted to be candidates for the SCC Examination beginning April 20 (Thursday) filed two cases against the teachers for taking money from 36 students, most of whom either students of class IX or X, on pledge of managing admit cards for the exam. They allegedly took Tk 3,000 to 4,000 from each of the students.

Of them, 266 students failed to obtain admit card from the Jessore Board because the Board found these candidates ineligible for the examination.

The disappointed students today (Tuesday) gheraoed the residences of the headmaster and the assistant teacher in Madhupur. They also demonstrated in front of DC office here this morning.
