DU Teachers demand security assurance

Varsity Correspondent

A meeting of Dhaka University Syndicate was held on Sunday with Vice-Chancellor Prof. M. Maniruzzaman Miah in the chair. The meeting adopted some resolutions after a threadbare discussion on the present situation in the university.

The resolution said that the possible date of reopening of University would be announced through holding talks with the concerned circles including the Teachers Association and Provosts of all the halls.

The V-C Mr. Maniruzzaman Miah informed the members of the Syndicate the decisions of the Teachers Association and Academic Council regarding reopening of the university. The V-C also informed the members that the Teachers Association is not in favour of reopening of the University without full assurance of security of the teachers and students on the campus.
